Description: If there are noxious frequencies connected to our physical body, auras or any of our energy chakras, it will most certainly have a detrimental effect on our health and wellbeing. Often, the issues that arise can confound doctors and medical tests, because they are energetic, and therefore undetectable by blood tests and scans. We can feel the effects of these frequencies before they have made a physical impact on our bodies. If you are being affected by detrimental frequencies, the chances are, your self-esteem and self-worth may be affected. These frequencies can contribute to making you feel low, worthless, lack of sleep, feeling permanently tense, unsettled and even unlovable. Over the time it can affect your relationships, concentration, productivity, attitude and in turn, the profit and health of your business.
