**Description:** Marriage is one of the most sacred and pious social events of life in the context of Indian culture. It is solemnized to become a vital bond between the two marrying partners who are mostly two different human souls of opposite sex. In general, Indian families advise and insist on matching the horoscopes of the bride and groom so that they can select the right partners with whom they can live a compatible and happy life. But is this the right way to select a life partner? How to find a suitable understanding partner for marriage? Can we somehow validate with data if compatibility prediction is accurate and to what extent? All these questions can be answered by our miraculous occult method which is known as *Spiritual & Scientific Astrology*. This method mainly emphasizes the psychological nature of the bride and define a set of quality parameters on how to choose the right life partner. Through this method, we deeply analyse various vibrations attached with Bride's physical body and auric field. On the basis of this analysis, we are able to know that what is the psychological nature of our life partner and what are the qualities in her.
