**Description:** Finding a perfect partner is not as easy as it may sound. But, unlike the old times, people do not just look for “tall, dark and handsome” or “bold and beautiful” partners. Other than their physical appearance, there are several other things to look for in a partner. A perfect relationship needs more than shared interests and feelings. We all wish to know our partner so that our relationship can be enriched and enhanced further. But What makes a good partner? What are you looking for in a relationship partner? Can we somehow validate with data if compatibility prediction is accurate and to what extent? All these questions can be answered by our miraculous occult method which is known as ***Spiritual & Scientific Astrology***. This method identifies few key attributes on how to choose the right partner for a healthy relationship. Through this method, we deeply analyse various energy vibrations attached with physical body and auric field of your partner. On the basis of this analysis, we are able to know that what is the psychological nature of your partner and what are the root causes behind your disturbed married life.
