Description: Vibrations of auspicious and positive energy is very important for your home environment. We all want to welcome good energies into our land, home, office or shops and fill our lives with happiness and prosperity. Your environment has a major role to play in building a foundation for your mind, body, and soul. But is there any way by which we can know at which places and in what quantity positive energy is present in your home or office? If we are able to identify such places and sit there and do our important work, then the chances of being successful in those tasks will be greater. In recent years, Vibrational Theory has proven to be the prominent way to solve these issues in our life. For this reason, we developed a miraculous occult method which is known as *Spiritual & Scientific Astrology*. Through this method, we deeply analyse your land, home, office or shop and identify these areas and further determine various auspicious vibrations attached with them.
